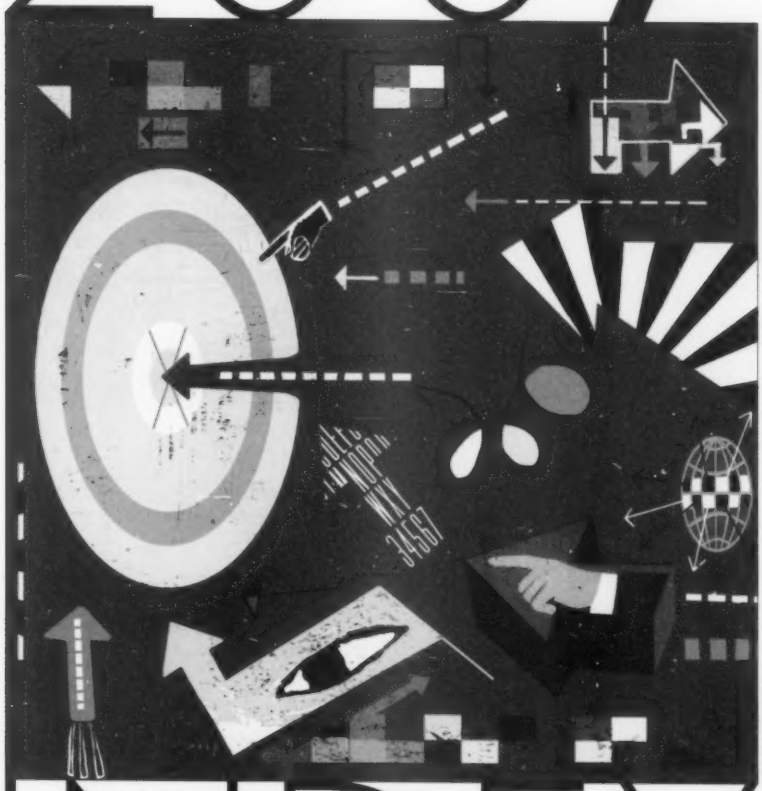
Mortgage Banking 2007 INDEX



BEPPE GIACOBBE

There are two parts to the 2007 *Mortgage Banking* index: AUTHOR/TITLE and SUBJECT.

All articles for 2007 are listed in the AUTHOR/TITLE section according to the author's last name and by the first word of the article's title.

The SUBJECT section lists all the articles alphabetically by title under the appropriate heading(s). (Most articles appear under more than one subject heading.)

The following is a list of the subject headings to assist you in your research. Check here first to determine which heading your topic of interest is most likely to be under and then refer to that part of the SUBJECT index.

To order back issues of the magazine, please contact Gloria McCullough at (202) 557-2734 or gmccullough@mortgagebankers.org. For information on hard-copy reprints or a view-only PDF of articles, please contact Lesley Hall at (202) 557-2856 or lhall@mortgagebankers.org.
